

NEW STATE OF THE ART MANUFACTURING PLANT & CORPORATE HEADQUARTERS

ANNOUNCEMENT

NATIONWIDE CHEMICAL COATING MFRS., INC.
7106 24TH COURT EAST - SARASOTA, FL 34243

Sarasota, FL—June 1st, 2007 - Nationwide Chemical Coating Mfrs., Inc. is proud to announce that staff and operations have moved to our new Manufacturing Plant and Corporate Headquarters on May 7th, 2007.

This brand new facility has over twice the floor space and three times the capacity of our previous location. It has additional floor space for production, warehousing, offices, an enlarged onsite laboratory and a larger shipping & receiving area and freight dock. A dedicated Color Room will archive, track, match and formulate colors.

This investment will increase production capacity to keep up with our growing business. Our goal is to streamline manufacturing logistics and increase overall efficiency in processing and shipping orders. In addition, our Research and Development Division will have additional space and resources to continue to innovate, improve and expand our product line.

Our new location is approximately one mile south of our previous address in Bradenton. All phone and dedicated fax numbers remain the same.
